MEMORANDUM FOR THE RECORD

SUBJECT: Interagency Advisory Group (IAG) Meeting, 15 Dec. '77

1. The IAG met on 15 Dec. '77 from 2:30 - 3:30 at the Civil Service Commission. The main business was a presentation by the Commission Chairman, Dr. Alan K. Campbell, on the present status of the Federal Personnel Management Project Proposals (Reorganization Plan).

2. Dr. Campbell stated that a broad outline of the Reorganization Plan was recently presented to the President and that he was in general agreement with the Plan. The Plan is now being finalized by the CSC, in cooperation with the Office of Management and Budget. The Chairman expressed the hope that the Plan would be finalized and approved by the President in early 1978. He indicated that the President would mention this Reorganization Plan in his State-of-the-Union address in January. Necessary action would then have to be taken by the Congress in order for the Plan to be implemented. A combination of Executive Orders and appropriate legislation is expected to follow Presidential approval.

3. The Chairman did not review any of the specifics of the Plan, since "all of you are quite familiar with the general contents". He did reveal that the CSC will be replaced by the "Office of Personnel Management". (In the option papers, the CSC replacement organization was called "Central Personnel Authority".)

4. Each attendee was given a handout "Personnel Impact of Managerial and Reorganization Actions". A copy is attached.
